

**EDEN CARE**

**INTRODUCING THE EDEN CARE  
EMPLOYER PORTAL:  
STREAMLINING HEALTH  
INSURANCE FOR MODERN  
BUSINESSES**

BY TSHEPO MACHELE,  
CHIEF GROWTH OFFICER  
AT EDEN CARE

# INTRODUCTION

Managing employee health benefits can be a complex and time-consuming task for HR teams. Traditional methods of managing health insurance often involve manual processes, piles of paperwork, and a lack of real-time data—leading to inefficiencies that cost your business time and money.

**At Eden Care, we're committed to making health insurance simple, fast, and stress-free.** That's why we're excited to introduce the Eden Care Employer Portal—a powerful digital solution designed to simplify health insurance management for companies of all sizes.

MORE

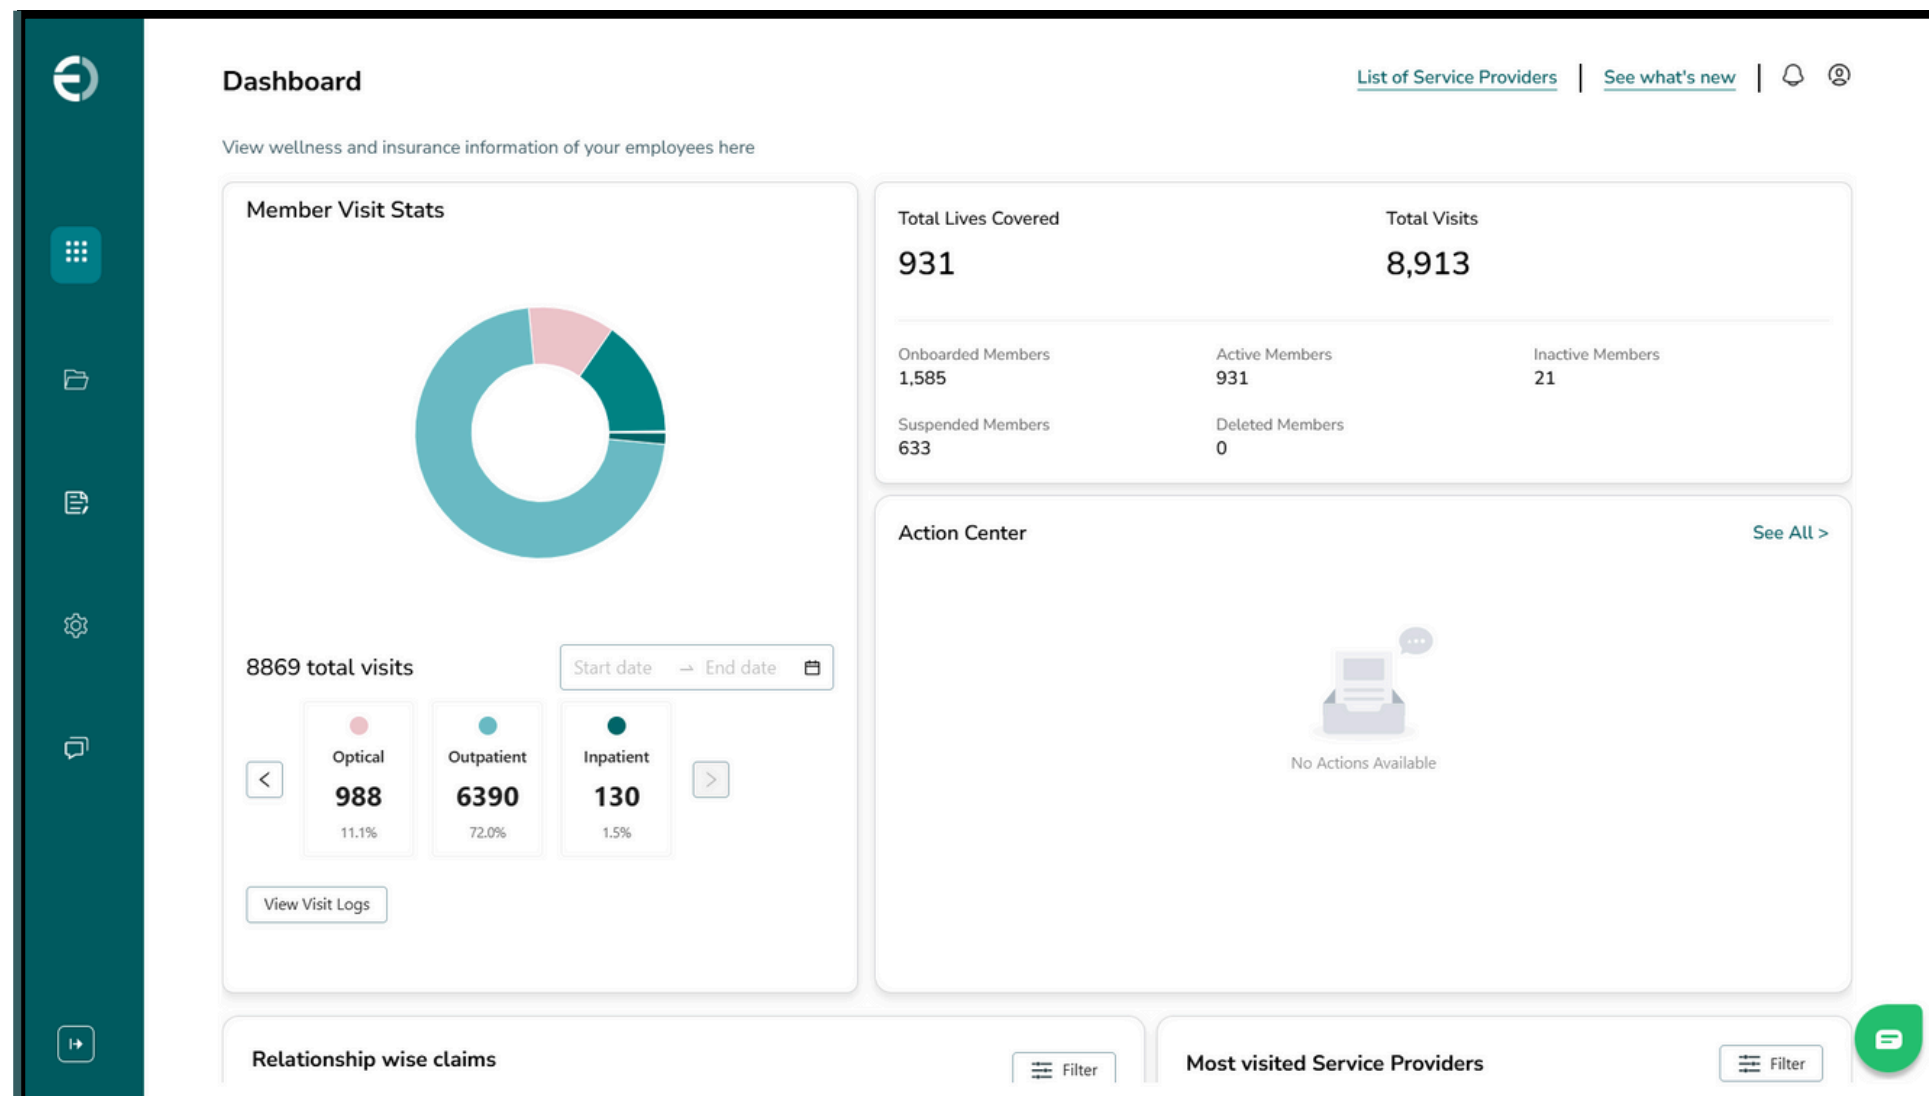

# THE CHALLENGES OF HEALTH INSURANCE MANAGEMENT

**Did you know?** HR professionals often spend up to 20+ hours per month managing health benefits, leaving less time for strategic activities that drive business growth.

# HOW THE EDEN CARE EMPLOYER PORTAL TRANSFORMS HEALTH BENEFITS MANAGEMENT

Our portal empowers HR teams by providing a streamlined, user-friendly experience that allows them to manage health plans efficiently, gain valuable health insights, and foster a proactive culture of wellness.

## **Key Features:**

### **1. Centralized Health Metrics Dashboard**

Instant access to key health data: View your organization's overall health metrics, from policy utilization to service provider insights—all in one place.

## **2. Real-Time Wellness Insights**

Track health trends and service use: Gain insights into wellness program engagement and service utilization, helping you make data-driven decisions.

## **3. Effortless Member Management**

Seamlessly onboard new members, manage profiles, and track claims: Bulk upload employee data, adjust subscriptions, and access essential reports in seconds.

## **4. Comprehensive Insurance Management Tools**

Everything you need to manage health insurance in one place: From policy adjustments to claim tracking and wellness rewards.

## **5. ProActive Wellness Integration**

Encourage healthier lifestyles: Integrate wellness programs that reward employees for making healthier choices, boosting engagement and morale.

# JOIN 85+ ORGANIZATIONS ALREADY BENEFITING FROM EDEN CARE

We're proud to have over 85 organizations currently using our Group Health Insurance and Employer Portal.

By joining Eden Care, you too can streamline your health insurance management and provide better support to your employees.

## Why Choose Eden Care?

- **Backed by Industry Leaders:** Eden Care is Africa's first fully digital health insurance provider, licensed by the National Bank of Rwanda and backed by major reinsurers Africa Re and Zep Re.
- **Tailored Solutions for Your Business:** Whether you're a small business or a large enterprise, our portal is designed to adapt to your needs, offering flexibility and ease of use.

## Ready to Transform Your Health Insurance Management?

Experience the Eden Care Employer Portal today and discover how it can transform your approach to managing employee health benefits. Fill out the form or contact us to schedule a demo and see firsthand how our digital tools can benefit your organization.
